

PQ SAT 8-week Intensive Course

This course is designed to help students brush up on their SAT skills especially math and critical reading after basic techniques of SAT. It covers Math, Reading, Writing, and writing as well as practice SAT tests with their reviews.

We recommend this course to students who are looking for effective study in a short period of time.

Class Size:

Students are placed in small groups up to 12 students. Small class size gives you an effective interaction with teacher.

Cost:

\$899(tuition plus Free practice tests and counseling included)

Special Offer:

If your score doesn't improve, retake course courses for 50% off.

Register today! PQ SAT 8-week Intensive course fill up quickly as we limit the number of students for each session to accommodate our small-group format.

Location:

All classes are held at:

17332 Von karman, #135 Irvine CA 92614

Materials:

All students will receive them in each class.

Attendance:

Attendance at all classes is mandatory because each lesson builds upon the previous class. Made-up class is not available.
